*It is fondly supposed that heathen superstitions have disappeared before the civilization of the twentieth century. But the word of God and the stern testimony of facts declare that sorcery is practiced in this age as verily as in the days of the old-time magicians. The ancient system of magic is, in reality, the same as what is now known as modern spiritualism. Satan is finding access to thousands of minds by presenting himself under the guise of departed friends. The Scriptures declare that "the dead know not anything." Ecclesiastes 9:5. Their thoughts, their love, their hatred, have perished. The dead do not hold communion with the living. But true to his early cunning, Satan employs this device in order to gain control of minds.*

*Acts of the Apostles, p. 289*
