*The Lord is disappointed
when His people place a low estimate upon themselves.
He desires His chosen heritage to value themselves
according to the price He has placed upon them.
God wanted them, else He would not have sent His Son
on such an expensive errand to redeem them.
He has a use for them, and He is well pleased
when they make the very highest demands upon Him,
that they may glorify his name.
They may expect large things if they have faith in His promises.
The Desire of Ages, p. 668*
