## FROM THE PASTOR'S CORNER

I consider it a great honor and a blessing to be part of the Seventh-day Adventist Church. We are the people who live on the very edge of eternity, waiting expectantly for our precious Lord to return in the clouds of heaven and take us to be with Him. There's no more joyous event that we can look forward to than seeing Jesus, surrounded by the hosts of heaven, descending to this war-weary earth to bring deliverance to His faithful people.

In the meantime, we wait, and we work for the salvation of souls. Very many people throughout our neighborhoods and communities have at best a limited understanding of who God is, and what His character is like. Recently I was reading the account of a young girl who understood God to be a vengeful punisher of sinners; in fact, the current belief she had was that God was waiting for her to "mess up," so He could confine her eternal soul into a fiery pit called hell, there to burn her without rest throughout the eons of eternity. Tragically, this false belief about God has caused many thousands of people to reject God altogether, choosing instead to live their lives apart from Him.

The doctrine of eternally-burning hellfire is but one of several teachings about God that the enemy has imposed upon many Bible readers. The reason I rejoice in being a part of the Adventist Movement is exactly because the doctrines we teach and believe point us to a God Who is loving and gentle, not willing that any should perish. While it's true that

one day God will punish sinners for their destructive ways, we, as Adventists, believe He will simply destroy them for eternity, not torture them forever. The doctrines of a church, what I call "Healing Doctrines," are intended to display for us the kind of God we worship and serve. Correct doctrines lead to a right image of God; False doctrines destroy His image to us and make Him out to be Someone to fear rather than Someone to love.

The word "doctrine," I've read, is related to an old French word for "doctor," which describes someone who heals. The purpose of our doctrines – true doctrines – is to bring healing to our false concepts of God, His character, and His plans for us. That's why it's so important that we study the Bible carefully and prayerfully to be sure our doctrines (=teachings) are of such as to put God in the favorable light the Scriptures do, that we see the clear and symmetrical plan of redemption as the Bible describes it, and that we view the character of God in a manner that moves us to want to testify for Him. In this final generation, the truth matters. Correct doctrine is vital. God's end-time people are known as the pillars of truth, because they believe and practice it in their lives. May God help us to learn and follow His doctrines lovingly and faithfully.

## RELIGIOUS-THEME MARIONETTES – CHARACTERS FROM THE BIBLE

Cameron Macdonell has been helping the Pathfinders in a marionette project. A marionette is a skeletal structure with a carved head, manipulated by strings. This is an undertaking with adults and children working together in a team effort, using many materials – such as: dowels, eye hooks, wire, fishing line, paper mache, and Styrofoam balls – and much creativity.

When they are completed, they can be used as visual aids to represent different characters from the Bible.

If you would like to help in this project, from hands-on building marionettes, to making scenery, to reading scripts, please contact Cameron Macdonell.

when prayer is the key in the hand of faith to unlock heaven's storehouse,  
where are treasured the boundless resources of Omnipotence?  
Without unceasing prayer and diligent watching

*As your senses delight in the attractive loveliness of the earth,  
think of the world that is to come,  
that shall never know the blight of sin and death;

wear the shadow of the curse.*

*Let your imagination picture the home of the saved,

But they that wait upon the LORD

they shall mount up with wings as eagles;  
they shall run, and not be weary;  
and they shall walk, and not faint.
